THE BOP'S OWN PAPERS DISAGREE. The handbook (**August 2021**) and the visiting rules (**March 1, 2022**) do not match on a few points. **Vending money:** the handbook says up to $20.00 in $1 bills and coins; the rules say up to $20 in coins. **Number of visitors:** the handbook says 4 visitors, children over age 2 included, plus 3 children under 2; the rules say 4 approved visitors plus up to 3 children under 10 who do not take a seat. **Skirts and shorts:** the handbook says to the middle of the kneecap; the rules say not shorter than two inches above the middle of the knee for anyone over 10; the visitor handout says not above the bend of the knee. **Points:** the handbook says each person gets 40 visiting points a month; the rules do not mention points. Go by the newer rules and call (760) 530-5700 before you drive.[1]

BEFORE YOU GO: GET ON THE LIST

1. The visiting list holds at most **20 visitors**. Your loved one can ask to change it by sending an Inmate Request to Staff Member during their Unit Team's open house hours, as often as they want.
2. The complex rules do not name the form for joining the list. (The BOP's national visitor form is BP-A0629; not confirmed in these papers.)
3. The **Unit Manager** approves or denies each visitor. A problem on the application, or a hit on the background check (NCIC), can mean a denial. A past conviction does not automatically bar a visit.
4. Visits are ordinarily for people your loved one knew before prison. The Warden can approve exceptions. Immediate family can only be turned down for "strong circumstances that preclude visiting."
5. If you are denied, the Unit Manager tells your loved one, and **they** tell you. Do not drive until you are approved.[1]

WHAT THEY WEAR	At FCI II they wear institution-issued forest green uniforms with a white or brown T-shirt, buttoned and tucked in.[1]
PARKING	Park only in the marked visitor areas. No one may wait in a parked car. People who are not visiting must leave the grounds. All vehicles may be searched.[1]
