VISITING HOURS AND DAYS

WHO	DAYS	HOURS
Medical Center visiting room	Saturday, Sunday and all federal holidays	8:15 a.m. to 3:00 p.m.
Special visits (weekdays)	Monday through Friday are closed. A special visit must be set up by their unit team at least one week ahead.	See note

No visitors are processed after 2:30 p.m. Processing stops at 9:30 a.m. on weekends and holidays until the 10:00 a.m. count clears. Leaving the visiting room early needs approval from the Operations Lieutenant or the Duty Officer.

The visiting room is closed Monday through Friday. [1]

The BOP's own papers disagree. Springfield's two papers disagree about Monday. The visiting rules (**dated January 13, 2025**) give visiting on **Saturday, Sunday and federal holidays** and say the room is closed Monday through Friday. The handbook (**updated February 2017**) says the room is open Saturday, Sunday, **Monday** and federal holidays, and closed Tuesday through Friday. The 2025 rules are newer, but **call the prison at 417-862-7041 before you drive**.

THE RULES AT THE DOOR: ID, POINTS, WHAT YOU CAN BRING

POINTS	They get **8 points a month**. A weekend or holiday visit costs **2 points**. There is no charge for Thanksgiving, Christmas and New Year's Day. A visit counts as one full visit even if you leave early. Clergy and legal visits do not count. [1]
HOW MANY PEOPLE	No more than **6 visitors at a time**, and no more than **4 adults or 4 children**. Four adults and two children is fine. Five adults and one child is not. Extra visitors must be asked for in writing at least one week ahead. [1]

WHO CAN BE ON THE LIST	Ordinarily up to **20 visitors, with no more than 10 friends**. A married couple counts as two. Children under 16 are not counted in the 20 but must be on the list. Friends must have known them before prison unless an exception is approved. [1]
CHANGING THE LIST	They can change the list **once a month**. Once a visitor is removed, the removal is permanent. [1]
ID	Everyone **16 or older** needs a valid state-approved photo ID and must be on the list. Visitors with a medical device that cannot be removed need a doctor's note. [1]
SCREENING	You must clear the walk-through metal detector, with no exceptions. If you set it off, you must fix the problem and try again. Random pat searches are done by same-sex staff. [1]
WHAT YOU CAN CARRY	A small clear plastic purse no bigger than 8 by 8 inches holding a handkerchief, a comb, coins or **$40.00 in currency per adult**, feminine hygiene items and your ID. Essential medicine (heart or breathing medicine, for example) is checked in at the officer's desk. Not allowed: tobacco, lighters, cell phones, diaper bags, large purses, notes, photographs, gum and car keys. Lockers are in the front lobby. [1]
FOR A BABY	Two bottles with formula, two sealed jars of baby food, one change of clothes, three diapers, one baby blanket and wipes in a clear plastic bag. No diaper bag. Nursing is allowed, and a visitor restroom and infant changing area is the main nursing area. [1]
WHAT NOT TO WEAR	No shirts or coats with hoods, sleeveless shirts, low-cut or see-through clothing, tube or tank tops, shorts, skirts, jogging suits, backless clothing or open-toed shoes. Skirts and dresses no more than 2 inches above the knee. No skin-tight clothing. **No orange, camouflage (except active-duty military) or khaki.** No hats, non-prescription sunglasses or watches. [1]
TOUCHING	A handshake, an embrace or a brief closed-mouth kiss when you arrive and when you leave. After that, no slumping, lying on each other, crossing legs together, embracing or massage. They get one warning, then the visit can be ended. Only an infant or small child may sit on their lap. [1]
WHAT THEY WEAR	The full khaki uniform and institution shoes. They may bring in a handkerchief, comb, wedding band, religious headwear or medallion and prescription glasses. [1]
WHEN IT GETS CROWDED	Visits of people who live within 25 miles of the prison and have been there longest are ended first, to make room for out-of-town visitors. [1]

HOW TO GET ON THE VISITING LIST

1. Their unit team gives them the Medical Center's approved visiting list form. They give you the visiting guidelines and directions.
2. The counselor and Unit Manager review each name and the Warden decides any exception. A background check is part of this.
3. The unit team tells **them** if you were approved or turned down. **They** must tell you. Do not drive until you know you are on the list.

4. If you arrive and are not on the list, the Duty Officer can approve you on the spot only if you are listed as immediate family in their pre-sentence report or were already approved at another prison.
