FEDERAL PRISON GUIDE

VISIT PACKET: FCI VICTORVILLE MEDIUM I

Federal Correctional Institution · Victorville, CA · Phone 760-246-2400

VISIT CARD · CUT OUT AND KEEP IN THE CAR

WHEN **Saturday, Sunday, Monday and federal ho...** Tuesday through Friday are not regular social visiting days for the FCI.[1]	HOURS **8:30 a.m. to 3:00 p.m.** Social visits are not processed before 8:30 a.m.[1]	VISITS **40 points** The handbook says each person gets 40 points on the 1st of each month.[2]
WHO CAN COME **4 approved visitors** No more than 4 approved visitors at a time.[1]	BRING **Photo ID** Everyone needs a valid state or government photo ID: a driver's license, military or state ID, or a passport.[1]	CALL FIRST **760-246-2400** Call before you drive, every time.

THE BOP'S OWN PAPERS DISAGREE. The visiting rules are from **March 1, 2022** and the handbook from **September 2021**. Both are old and they differ. The handbook says visiting is by **points**: 40 on the 1st of each month, 2 points an hour on weekends and holidays and 1 an hour on weekdays. The newer rules do not mention points. The handbook counts children over 2 as visitors and lets 3 children under 2 come in extra; the rules let 3 children under 10 come in extra if they do not take a seat. The handbook says dresses must reach the middle of the kneecap; the rules say no shorter than two inches above mid-knee, and the rules' own one-page summary says not above the bend of the knee. Call the prison at 760-246-2400 before you drive.[1]

BEFORE YOU GO: GET ON THE LIST

1. They send their Unit Team the names of people they want on their visiting list. The rules do not name the form. (The BOP's national visitor form is BP-A0629; not confirmed in the Victorville papers.)
2. Everyone, including immediate family, is checked. The **Unit Manager** approves or denies each visitor. A questionable application (a discrepancy or a criminal-record hit) can be denied. The Warden can approve exceptions.
3. If you are denied, the Unit Manager tells your loved one, and **they** tell you. Do not drive until you are approved.
4. The list holds **no more than 20 visitors**. They can ask for a change at any time by sending an Inmate Request to Staff during Unit Team open house hours.
5. Visits are ordinarily for people they knew before prison. A prior criminal conviction does not automatically bar you. Staff look at your relationship and how recent and serious it was.[1]

AT THE DOOR

SCREENING	Everyone must walk through the **metal detector** without setting it off, so avoid clothes with metal. Visitors and their things may be searched, and visitors may be screened with electronic drug detection devices. Refuse a search and you do not get in. Visiting areas are on video.[1]

TOUCHING	An embrace and a kiss at the start and end of the visit. No holding hands, no arms around each other, and no arm on the back of a chair. You sit across from each other. They may not cover their face or hands with a blanket.[1]
AT THE FCI	They wear a forest green uniform with a white or brown T-shirt, buttoned and tucked in, with issued boots or shoes and socks.[1]
WALSH ACT	People with a sex offense involving a minor are seated where staff can watch closely. They may not go into the children's play area.[1]
