THE BOP'S OWN PAPERS DISAGREE. The handbook (undated; file created in 2009) says something different: visits Monday, Thursday and Friday from 2:00 p.m. to 8:30 p.m. and Saturday, Sunday and federal holidays from 8:30 a.m. to 3:30 p.m. The 2026 rules (April 1, 2026) list only Saturday, Sunday and federal holidays at the FMC. The handbook also gives the mailing box as P.O. Box 1600 and the 2026 visiting rules list P.O. Box 1500 for the FMC; the BOP feed says 1600. Go by the 2026 rules and call 919-575-3900 before you drive.[1]

BEFORE YOU GO: GET ON THE LIST

1. Their counselor prepares the visiting list. The initial list is ordinarily ready within **seven days** of getting the information. The Butner rules give no form number. (The BOP's national visitor form is BP-A0629; not confirmed in Butner's papers.)
2. They can ask for **10 friends and associates** on the list, on top of immediate family.
3. Friends and associates must usually have known them before prison. Exceptions need the Warden's approval, asked through the Unit Team.
4. Unit staff try to get background information on anyone who is not immediate family.
5. The list can be changed at any time under BOP policy. If the Warden denies a visitor, the unit team gives your loved one a Denial Notice with the reason.
6. Admission or holdover status: only immediate family may visit until the list is checked. Unit staff find family in the Central File.
7. Do not drive until your loved one tells you the unit team approved you.[1]
